"Have you ever loved someone that you never had?"

What kind of question is that to leave your wife-to-be with nine days before your wedding as you jet off to check on another woman?

In *Promises Beyond Jordan*, this question becomes a thundering theme for many characters of this drama-laden, spirit-filled tale of family, love, friendship, commitment, scars (seen and unseen), secrets, sacrifices and promises.

As if all this weren't enough, there's a scandal brewing that threatens to destroy Wings of Grace Faith Ministry Church along with its dreadlocks-sporting, Word-teaching pastor.

Successful, Smart, & Straight...

Is that too much for a woman to want in a man?

Candace Turner is beginning to think so. At 29, she has almost everything a woman can possibly want – a thriving business and her own home.

The only thing missing is **Mr. Right.**

If Candace can survive her temperamental pooch, Lady, her bickering friends, and a chronically suicidal mother, she might be able to find her ideal mate.

And if she can't, Mr. Right Now will have to do.

Attorney Jillian Newman, advocate for the downtrodden and watchdog of the local police department, witnesses a horrible murder during the height of a thunderous storm in a downtown parking garage. Hunted by gunmen, an attempt is made on her life and she is forced into police protection.

Detective Harrison Blake, one of the city’s finest, is appointed lead detective on the downtown murder case. Prepared for just about anything when it comes to murder, the seasoned detective is completely caught off guard by his instant attraction to the witness. To make matters worse, she’s the ex-wife of his nemesis, the district attorney.

However, neither the differences in their races nor their painful pasts can keep the attraction between the two from blossoming. When another attempt is made on Jillian’s life, Harrison will risk it all, even his most guarded secret for the woman he loves in
